## 2011 Season Highlights

**Memorial Day Remembrance BBQ with Parade of Veterans** – The parade was a real winner last year – everyone who was in the parade seemed to really enjoy it and all of the residents along the parade route loved having a chance to honor our veterans. A delicious BBQ meal and program start at 4:00.

**Two Buck Taco Tuesday** – Our popular Taco Tuesday returns with an enhanced menu.

**Craft Fair** – JRR's wildly successful Craft Fairs return in June, July, August and the Christmas Craft Fair in September.

**Wine Tasting** – A new event at JRR – an appetizer buffet with a theme. If it is a success we'll schedule one a month.

**Patio Sale** – One in June and one in September – your chance to get rid of treasures you no longer need and buy more!

**Mother's Day/Father's Day Celebration** – Since our first event of the season is Memorial Day, we will combine these two events with a special menu and format. Entertainment by Missouri Opry will follow the dinner.

**"Welcome Summer" with Armour Gomez** – The first dance of the season with our very favorite performer – Armour!

**Artists & Crafters Exhibition** – Our talented residents will have an opportunity to display their wares in a special exhibition format – no sales at this event. You will also have an opportunity to tour the newly reorganized Craft Building.

**Fourth of July Celebration** – Our popular country potluck returns along with our parade to celebrate Independence Day! Entertainment by Steve Bacon, singer, will follow the potluck. Steve Bacon will perform following the meal.

**Don Scott Fashions & Fashion Show with Salad Luncheon** – Don Scott returns with his clothing and accessories sale. We plan to reintroduce the Fashion Show with a Salad Luncheon this summer. More information will be coming.

**Midnight Moon Dance** – This is a new group to JRR. A husband and wife duo that sings a wide variety of music.

**JRR Olympics** – This important JRR event returns with all the usual fanfare and enthusiasm!

**Pet Safari** – Our very successful Pet Safari returns bigger and better than last season.

**Bella Rosa** – What can we say about this annual fundraiser for the Beautification Committee – we just love it!

**Bottle Auction Fundraiser** – If you missed the 2010 version, you'd better plan on getting your tickets the first day they go on sale so you don't miss the 2011 version – fun, fun, fun!

**Mystery Dinner Theatre** – A new event for JRR – the theme is still a mystery but we will have a great time solving the "whodunit" in an interactive format. A great cast is waiting in the wings to entertain and serve you!

**Talent Show** – What a successful event this has become and we always discover new talent in the resort.

**Relay for Life – Cancer Walk & Health Fair** – This event returns to JRR and our residents have a chance to make a difference in the fight against cancer as they celebrate surviving cancer and continue to fight this disease. The Health Fair will give the participants a chance to be screened for minor health issues.

**Meet & Greet Luncheon** – An opportunity to meet new renters and owners and give them a very personal and warm welcome to our JRR family.

**Hillbilly Weddin' Dance with Armour Gomez** – Instead of the Thrift Shop Ball, we have a new theme to end our week of JRR's Food Drive to replenish local food banks. We can still support the local thrift stores for costumes and we think this event will even top the Thrift Shop Ball for fun and hilarity. Armour, our favorite, will entertain us again!

**Labor Day Country Potluck** – We will celebrate Labor Day with another country potluck followed by entertainment.

**Volunteer Appreciation Dinner** – We honor all of our volunteers at another fabulous dinner with entertainment.

**Chili Cookoff and Pie Contest** – One cup/spoon for chili and one plate/fork for pie – you can taste until you burst and then vote for the winners!

**Bonfire Farewell** – We'll build a big bonfire so bring a chair – we'll have hot apple cider and hot cocoa and spin a few more yarns before we say farewell to the 2011 activity season and our JRR family for this year.
